

U.P. Bathworks provides three different shipping charts on these pages for you to use in calculating your shipping costs accurately; please use the chart appropriate for your order. If you have any questions or problems in calculating your shipping charges, please contact us at [cjpelkola@yahoo.com](mailto:cjpelkola@yahoo.com) and we'll be happy to assist you.

- Use **Shipping Chart #2** (on page 2) if:
  - 1) Your order's shipping weight total is more than 13 ounces, and
  - 2) Your 3-digit ZIP code is included in the table on page 2
- Use **Shipping Chart #3** (on page 3) if:
